We have craft activities for the creative and a wide range of indoor and out door play activities to suit all needs.

Group time
Lunch time
Chill out time

Qualified Staff

The play scheme is ofsted inspected and offers a safe environment under the care of qualified staff. The staff are all C.R.B. checked and hold relevant qualifications

Inclusion

We include special needs children, but need good notice to plan for extra staff ratios if support is needed. Children with severe nut allergies need to have a signed letter from the doctor stating allergies and then a form needs to be signed to give permission for trained staff to use the epi pen. If a member of staff is not trained on the days that your child wishes to come then we cannot guarantee a place because of insurance liabilities.

Children's details

Children's details must be filled in and emergency contact numbers given. Please sign your child in and out. Notify staff of who will be collecting your child.

Please bring

Coats, sunhats, weather appropriate as we do like to make the most of our outside area

Please refrain from bringing toys from home, it causes a lot of distress in they go missing or are put away with our toys. Do get children to wear clothes that you do not mind getting messy; it takes the worry out of playtime.

Collecting children

Please wait for the staff to open the doors it helps us to monitor the children leaving. Please collect your children on time as there are other hall users that use the premises after us.

Fees

Payment is needed to secure places, as we need to plan for staff ratios
Cheques made payable to: see the back of leaflet.
